MONTREAL, Quebec(Oct. 18, 2018) –Mile High Media's newly minted interracial gay studio, [Noir Male](#), and iconic director Chi Chi LaRue proudly debut new release, "Hard At Work," starring cover models Marquee D'Angelo and Ziggy Banks. Noir Male blends classic elegance with modern style, showcasing men of color as they deserve to be seen - sensual, sexual, and unapologetically fine.

The All-star packed 3rd release now available on DVD also stars DeAngelo Jackson, Ray Diesel, Adam Russo, Seth Santoro and Jacob Peterson.

Director Chi Chi LaRue presents stylized vignettes featuring four hardcore scenes of passionate and unscripted interracial sex, where expected sexual scenarios become a thing of the past and hard working men fulfill their fantasies.

"Hard At Work" box art and release information is available here: <http://www.milehighonline.com/product/movie/4427>

Noir Male celebrates the full range of sexuality and fantasy fulfillment, in a product that breaks free from the stereotypes and conventions of typical interracial gay porn. No body part is off-limits, and no desire out of reach, in scorching hot black and interracial encounters, where sexual preconceptions are left behind.

Jon Blitt, vice president of Mile High Media, says, "Noir Male continues to take the gay market by storm. Our first two DVD releases have made record numbers, selling out in some cases. With Chi Chi LaRue at the helm this third film is a guaranteed hit as well—Chi Chi brought out the very best performances from her stellar cast, it's a DVD fans will want to enjoy over and over."

Noir Male launched their member site mid-August with unprecedented success; the latest scenes can be enjoyed now at www.noirmale.com.

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple's erotica line), Reality Junkies (reality gonzo line), BiEmpire (bisexual reality gonzo line), Icon Male (gay romance line), TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD, DVD and mobile applications. Mile High is a continual trendsetter, earning [AEBN.net](http://www.AEBN.net) 2012 Studio of the Year title and FSC 2016 Production Company of the Year award.
