In “Cougar’s Prey: Volume 7,” Veronica doesn’t appreciate balls flying into her pretty garden, so she takes her stud neighbor inside to scold him. When Ava’s private time gets interrupted by her love-struck neighbor, she decides to teach him a thing or two about what women really want. Inari comes to enjoy a nice cup of coffee with her friend, while her friend’s son enjoys snapping some nice photos of Inari’s hot body. Alexandra won’t stand for the school bully making fun of her son, so she pays the bully a visit to see how much he likes getting dominated. Phoenix’s daughter is bringing over her new boyfriend. Phoenix knows she has seen him somewhere before, and will stop at nothing to find out about his past. It’s 5 high-quality, hardcore vignettes with the top stars in the adult industry.

Mile High Media Vice President Jon Blitt states, “Bobby has done it again. He’s assembled an amazing cast of women and men who compliment each other perfectly in terms of chemistry and heat. ‘Cougar’s Prey 7’ will excite consumers and leave them craving more from Reality Junkies... so we hope retailers stock up to meet the demand.”

“A definite ‘must try’ in your quest for fun and exciting porn,” writes XCritic.com reviewer Marine Hardcore regarding the previous volume. “All of the women look great and the photography is as well. They all get into the sex with exuberance...Give it a try!”
