

# MILE HIGH MEDIA RELEASES SWEET SINEMA'S "LAST TANGO"

***French Superstars Katsuni & Manuel Ferrara Reinvent the Classic Hollywood Movie!***

**MONTREAL, Quebec (November 22, 2011)** – Mile High Media is proud to present the third release from Sweet Sinema, "Last Tango." The new studio offers consumers XXX re-imaginings of Hollywood's classic movies. "Last Tango" is the newest interpretation with an adult makeover. While the original film starring Marlon Brando was considered risqué for 1972, Sweet Sinema ups the sex to orgasmic levels. French superstars Katsuni and Manuel Ferrara are joined by James Deen and Annie Cruz in the erotic masterpiece.

In "Last Tango," beautiful but reserved Katsuni is looking to rent a secret apartment to escape from her arrogant fiancée, James. When Katsuni shows up to view a vacant space, a brooding, mysterious stranger entrances her. Finding themselves alone, Katsuni and Manuel plunge into a sudden, impulsive affair based on raw sex and anonymity. But as they fall in love with their fantasies of each other, a grim reality creeps ever closer, threatening to expose the fragility of their twisted world. With haunting, explicit sex scenes and emotionally rich performances, "Last Tango" will change the way adult film is viewed forever. "Last Tango" is written and directed by Nica Noelle.

"Sweet Sinema offers an intriguing alternative to the parody craze," says Mile High Media Vice President Jon Blitt. "Movies like 'Last Tango' are intense and passionate variations on Hollywood classics. Rather than poking fun of the originals, we are embracing the concept while improving the erotic nature. Consumers have responded very favorably, and Sweet Sinema's first two releases are two of Mile High's best selling titles."

The first title from Sweet Sinema is "Fatal Seduction." Amy Fisher stars in the classic cinematic tale of a one-night stand that quickly descends from erotic to bone chilling. Katsuni and Evan Stone round out the dangerous love triangle. "Six ½ Weeks" is the sophomore release, starring Inari

Vachs and Manuel Ferrara in the classic tale of lust, head games and power play.

Like its sister studios Sweetheart Video and Sweet Sinner, Sweet Sinema is developed with couples in mind, providing real lovemaking and real orgasms. The captivating features will go further than any R-rated film is allowed. Each movie couples complex stories and well-developed characters with intense sexual performances.

**About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line) and Hardcore Parody (parody line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
