**MONTREAL, Quebec(March 28, 2019)** – [Mile High Media](#)'s couples' erotica studio [Sweet Sinner](#) and Jacky St. James present the erotic tale of a mother/daughter swindling team in the new feature "The Girls Next Door." The movie is now available on DVD.

St. James wrote and directed the "The Girls Next Door," starring Danni Rivers, Mona Wales, Silvia Saige, Ryan Driller, Lucas Frost and Small Hands. The DVD features four hardcore sex scenes shot in HD along with exclusive behind-the-scenes footage, a slide show and more.

"Danni and Mona are absolutely captivating as a pair of grifters who victimize men," St. James said. "They have an amazing chemistry that is perfectly combined with the alpha vibe of our outstanding male talent in this compelling tale of female empowerment gone wrong."

"The Girls Next Door" tells the story of Evelyn and Viv, a mother/daughter con artist team, who move into an apartment complex hoping to make a profit off of unsuspecting men. But, they are in for a big surprise when what seems like a dead-end complex turns into their greatest financial pay-off yet. However, nothing is at it seems because in the game of conning, it is never fully clear who is taking whom for a ride.
