**MONTREAL, Quebec (February 15, 2012)** – With its new series, “Father Figure,” Mile High Media tackles the daddy issues of young, beautiful starlets. It’s the newest older / younger series from Mile High Media’s couples-friendly studio, Sweet Sinner. In “Father Figure,” innocent cuties April O’Neil, Katie St. Ives, London Keyes, and Melanie Rios decide they want a sexual education from the more mature men in their lives.

“Father Figure” is now available on DVD. For box art and product information, visit <http://www.milehighonline.com/product/movie/2089>.

In “Father Figure,” the new series by writer / director Nica Noelle, four older men fall helplessly in lust with much younger girls. Katie is a gifted student who was forced to leave school due to emotional issues. Her home tutor Mr. Marcus offers his young student guidance and wisdom, but he soon finds Katie wants more than a mentor. Meanwhile, Nica tells her daughter London she's met a new man and plans to marry. However, London soon discovers Mom's new boyfriend is the older man London has been dating for months – must she now call him "Daddy?" Nick gets a little too close to his daughter's sexy, troubled friend April with explosive results, and Ben develops a "lolitaesque" obsession with exotic teen beauty Melanie.

The lucky four men getting their share of horny nymphs in “Father Figure” include Nick Manning, Ben English, Mr. Marcus, and Evan Stone.

Mile High Media Vice President Jon Blitt states, “Our younger / older series are always consumer favorites and sell extremely well, which is why we wanted to try a different twist. In ‘Father Figure,’ it is the sexually empowered girls who go after what they want, refusing to take no for an answer. We know fans of Mile High are going to love this new series.”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a

new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
