The right person will be joining our established sales department, so it is also vital that the person is a reliable team-player."

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content.

In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple's erotica line), Reality Junkies (reality gonzo line), BiEmpire (bisexual reality gonzo line), Icon Male (gay romance line), TransSensual (Trans romance line) and most recently Noir Male (gay interracial line) and Family Sinners (Fauxcest erotica line). With over 2600 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD, DVD and mobile applications. Mile High is a continual trendsetter, earning AEBN.net 2012 Studio of the Year title and FSC 2016 Production Company of the Year award.

Mile High is committed to evolving alongside consumer tastes, reflecting new developments in technology and entertainment. In 2013 this manifested with the launch of O. L. Entertainment, an exclusive network of high-end adult

content featuring the work of award-winning Director Mason through XEmpire studios Hard X, Erotica X, Dark X and newly launch Lesbian X.
