In “Babysitter Diaries: Volume 7,” April is a babysitter who’s been waiting too long for the adults to return. The husband owes April more than a lift for making her wait. Jessie is a babysitter who loves putting on the wife’s fancy lingerie. She also loves when the husband takes it off. Riley’s fallen asleep on the job, so she doesn’t hear the husband coming in from the rain. Since he’s already wet, she might as well be too. Sensi tried to bake a nice cake for the man of the house, but he’s got an appetite for something even sweeter. Ashlynn is late to a sitting job, so she gives the husband a special treat for his patience. It’s 5 wild scenes of the hottest, young teens!

“We were able to put together an amazing, young cast for ‘Babysitter Diaries: Volume 7,’” says Director Bobby Manila. “Though cute and innocent in appearance, Jessie and the other girls have proven themselves to be true stars in the adult industry. This is one hot volume of the series!”

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
