“Rules are Meant to be Broken,” opens with sexy Avi who isn’t just attracted to women, but one woman in particular – and that woman just happens to be her professor, Shyla. It was cliché and she knew it, but Avi couldn’t help it – she had to have her. Next, Vicky’s once innocent curiosity about being dominated had, at some point, turned into a full-on fantasy. Then, she meets Charles, whose #1 rule is only speak when permission has been granted, thus it’s not long before Vicky’s fantasy turns into reality.

In scene 3, while enjoying a nightcap at her local bar an annoying drunk kills Kira's vibe until cute bartender, Lucas, steps in and gets rid of him. But when he offers to walk her home, things take a sexy turn. Next, longtime friends turned lovers, Gianna and Damon just crossed off girl-girl sex off her list, but she couldn’t wait to get to “threesome sex with another woman.” But they agreed there would

need to be rules – Gianna would pick the girl. Damon would enjoy her, but no banging – and no kissing her. But in the heat of it all, they find that some rules meant to be broken.

The movie was shot in 4K ultra high def, featuring a photo slide show, animated chapter index and more.
