"I am over the moon about my new movie for Icon Male," says Chi Chi LaRue. "This is the very first 100% bareback movie the studio has released and I'm honored to be the director. Icon Male has been producing some of the most intriguing, scandalous, smart and sexy productions the gay adult business has to offer and now it's giving them to you smack dab in your face, 100% bareback!! 2020 is going to be a cum filled sexy year!"

"Dad's Poker Night" begins when sexy dad, Drew Sebastian, and his super-hot buddies get together for their weekly night of poker. Drew's stepson Casey Everett wants in on the action, but if Drew has anything to do with it, that's not going to happen. But one thing leads to another and not only do they play poker, they play "Poke Him," and this massively hunky group of dads play for banging and sucking rights as hot action is just a good hand away.

The movie features four intense hardcore 100% bareback sex scenes shot in HD along with animated chapter index, a photo gallery and more.

Movies from Icon Male are unique to the gay marketplace and embody what fans have come to expect from directors Nica Noelle and Dana Vespoli, and Mile High Media – genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.

**About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line) and TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is a continual trendsetter, earning [AEBN.net](http://AEBN.net) 2012 Studio of the Year title and FSC 2016 Production Company of the Year.
