MONTREAL, Quebec(Dec. 11, 2019) – Adventurous young wives bring the heat to “Hot Wives 3,” the latest installment of the highly-charged new series from [Mile High Media](#)’s couples’ erotica studio [Sweet Sinner](#). The movie is now available on DVD.

Awarded director Jacky St. James continues to explore hot wifing in “Hot Wives 3,”starring box cover model Emma Hix along with Silvia Saige, London River, Dana DeArmond, Quinton James, Isiah Maxwell and Chad Alva.The DVD includes behind-the-scenes footage, a slide show and more.

“Emma Hix absolutely dove into her role of a young wife discovering the erotic pleasure of being shared by her husband with other men.” St. James said. “Like Emma, Silvia, London and Dana were electric on set and on screen opposite our amazing male performers.”

“Hot Wives 3,” tells the story of Laurie who is shocked to discover that the women in her new neighborhood are all far more sexually open than she is because they practice something called “Hot Wifing” – where their husbands willingly set them up with other men in order to ensure their wives’ satisfaction. London is so taken aback by the “normalcy” of openness in these people’s marriages that she soon turns to her husband, Tom, to see if he might consider taking their own marriage to the next level. However, Laurie is more than surprised when she discovers Tom’s own interest in hot wifing as the two venture down an untraveled road in pursuit of their own sexual satisfaction.
