“Chi Chi LaRue takes viewers into the world of a passionate young man and his erotic adventures,” said Mile High Media Vice President Jon Blitt. “DeAngelo is dynamite as he takes his game to the next level with an explosive performance that will enthrall fans like never before. It’s intense bareback action from one of the most iconic filmmakers in gay porn.”

“Rubdown” tells the story of DeAngelo who really wants a job at the massage parlor and he will do whatever it takes to get it. His boss, Julian Grey, sees all the potential in DeAngelo especially his demanding physique, but is not yet convinced. The other employees, Drew Dixon and Colby Tucker certainly know how to take care of their clients, so Avery Jones agrees to teach DeAngelo the ropes by giving him a private lesson. But when DeAngelo’s stepbrother Liam Cyber comes in for some TLC, that’s when things get really hot.

The movie features four intense hardcore sex scenes shot in HD along with animated chapter index, a photo gallery and more.

Movies from Icon Male are unique to the gay marketplace and embody what fans have come to expect from director Chi Chi LaRue and Mile High Media – genuine and intimate exchanges between performers featuring forbidden sex and compelling storyline.
