

## **AIDRA FOX STARS IN SWEET SINNER'S 'CATFISHED 2'**

***The Award-Winning Adult Star Leads a Gorgeous Cast in the Second Installment of the Series Directed by Jacky St. James!***

**MONTREAL, Quebec (Jan. 20, 2020)** – Aidra Fox stars in “Catfished 2,” the second installment of the series from [Mile High Media](#)’s couples’ erotica studio [Sweet Sinner](#). The movie is now available on DVD.

The award-winning performer stars in director Jacky St. James’ erotic tale of a woman scorned after getting catfished. The film also features Vanessa Sky, Daisy Stone, Kiara Cole, Nathan Bronson, Ryan Mclane and Zac Wild. The DVD includes behind-the-scenes footage, a slide show and more.

“Aidra was great to work with and brings an amazing energy and passion to this second chapter of the series. It is no wonder she has a combined nine AVN/XBIZ nominations this awards season.” St. James said. “She seemingly explodes on the screen and perfectly compliments the work of our gorgeous cast as we explored the world of women getting catfished.”

“Catfished 2,” follows the story of Sierra who discovers that Mason, the guy she’s been talking to online, has actually been deceiving a variety of women for his own little power trip – she decides to seek the ultimate revenge. With the help of her best friend, the two set up a trap to try and catch him in the act – but when he doesn’t fall for it, the two are left defeated. That is, until Sierra and Mason run into each other in real life and he reveals that she’s being catfished. Convinced that he’s being real and starting to fall for his charms, Sierra believes that maybe it’s a stroke of good luck that it was all a misunderstanding. But - her best friend isn’t convinced and before long the two women are plotting their own revenge.

**About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line) and TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is a continual trendsetter, earning [AEBN.net](http://AEBN.net) 2012 Studio of the Year title and FSC 2016 Production Company of the Year.
