**MONTREAL, Quebec (Feb. 11, 2020)** – Gay porn powerhouse [Noir Male](#), and iconic director Chi Chi LaRue celebrate the new year with Cybersocket's 2020 Surfer's Choice Award for Best Black-Themed Site, while also ushering in a new era for the leading studio, announcing all online content is now exclusively bareback.

Jon Blitt, vice president of Mile High Media, says, "Since our launch, content from Noir Male has strived to be distinctive to the gay marketplace and embody genuine and intense exchanges between black men and interracial pairings. We're so honored fans agree, voting use Cybersocket's Best Black-Themed Site. We are proud of what we've accomplished so far and know that listening to the fans and site members evolves our studio further. Going condom free is just one more way we are making the best possible scenes."

Noir Male's condom-free scenes are available now at [noirmale.com](https://www.noirmale.com). The latest scene features their contract performer and GayVN Best Actor DeAngelo Jackson with Papi Suave in scorching bareback scene 'Solid Connection' that can be viewed here: <https://www.noirmale.com/scene/4408946/solid-connections-bareback>.

LaRue continues, "I'm also so excited for everyone to see our first big feature 'Sin City,' that just wrapped, and introduce some fantastic, fierce new guys to the Noir Male family! This year will be outstanding for Noir Male."

Noir Male strives to breakdown interracial porn stereotypes and conventions, while blending classic elegance with modern style, showcasing men of color as they deserve to be seen - sensual, sexual, and unapologetically fine, and now completely bare.

**Mile High Media** has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple's erotica line), Reality Junkies (reality gonzo line), BiEmpire (bisexual reality gonzo line), Icon Male (gay romance line), TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD, DVD and mobile applications. Mile High is a continual trendsetter, earning [AEBN.net](http://AEBN.net) 2012 Studio of the Year title and FSC 2016 Production Company of the Year award.
