In "Exchange Student 3," viewers learn what happens when a nice all-American family opens up their hearts and home to a shy and lonely exchange student from France. Their happy family dynamic teeters between being shaken up and being made stronger. Daughter Lily doesn't trust Parisian Angel with her boyfriend, while mom Julia is equally protective of her husband. When desire replaces trust, the student gives the family a lesson of their own. "Exchange Student 3" also stars Evan Stone and Chad Alva.

Though staying true to the popular series from Mile High Media and Sweet Sinner, James Avalon brought his own vision and craft to the project. Volume 3 of "Exchange Student" was shot on the Cannon 5D for premium HD quality.

Art Koch, National Features & DVD editor for NightMoves magazine and AAN gave the film high marks saying, "There are four sex scenes in the film and they are all done with lust, passion, drive and total realism...The camera work and pacing of the film was very good, the natural settings added to the realism and the characters are well played. This is a very enjoyable film for everyone with some very real, steamy sex."

Mile High Media Vice President Jon Blitt states, "We are excited to see

how consumers react to James' directing debut with us. Judging by the buzz the trailer for 'Exchange Student 3' created, our fans welcome James' prowess for filmmaking, eye for aesthetics, and ability to capture hot sex, while adhering to high production values."

James Avalon's features tend to be more than just quirky and interesting, with a penchant to cater to "the thinking man" who wants porn, while maintaining a reputation for keeping hard, intense and varied sex in his movies. Avalon competes well with the sexual intensity and hardcore level of most any style release, as demonstrated by winning over 20 adult awards in categories varying from *Best Group Sex Scene*, *Best Couple* and *Best Oral Sex Scene* to *Best Director*, *Best Film*, *Best Editing* and *Best American Film*.

Combining a strong sense of story, character and visual style, his recent romance films have also gained impressive recognition. Avalon won *Best Straight Film Of The Year* (2011) by the Feminist Porn Awards, and his work is one of only three straight features from across the globe accepted by the Berlin Porn Film Festival, to showcase the new trend in realistic sex driven by realistic characters.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
