Sweet Sinner delivers more of the honest passion and sincere sex its known for in the sixth volume of "My Daughter's Boyfriend." In the sexy movie, Nina is a woman who once had it all – an exciting life jet-setting around the globe as a travel writer, until pregnancy ended her career. Eighteen years later, Nina's college-bound daughter Lexi finds herself in love, while Nina sits at home alone. When Lexi brings her new boyfriend, Xander, around for dinner, Nina's passion begins to stir for the rough mechanic and his charming smile.

Written and directed by Nica Noelle, "My Daughter's Boyfriend: Volume 6" also stars Mr. Pete and Xander Corvus.

Mile High Media Vice President Jon Blitt states, "Much of the success of 'My Daughter's Boyfriend' can be attributed to the younger man fantasy it fulfills for many of our female consumers. Add on the taboo nature of desiring the mother of your own girlfriend, and we have a series full of conflict and passion for both sexes – a great combination."

"Highly recommended!" writes XCritic.com contributor Marine Hardcore of the series' previous volume. "A superb story that holds your interest and sets up the sex scenes perfectly...Delivers outstanding adult content that

rivals the best of any time period. [The] stars look like, act like, and are ordinary people whom we can relate to in our real lives...High quality porn that I believe anyone can watch it and put aside their biases and acknowledge that this stuff is really good. Thus, my Highly Recommended rating for this outstanding effort.”

“My Daughter’s Boyfriend: Volume 6 features a slideshow gallery with beautiful glamour and sex photos from the movie, as well as revealing BTS (behind-the-scenes) videos.

“My Daughter’s Boyfriend: Volume 1” was the recipient of AEBN’s 2010 Best Feature Award, presented to the most viewed video-on-demand release of the year. AEBN.net (Adult Entertainment Broadcast Network) houses over 100,000 VOD titles, and “My Daughter’s Boyfriend: Volume 1” was viewed by the site’s three million consumers more than any other feature movie.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High’s studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile

applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
