Chanel Preston dims the lights, turns on the music, lights the candles, and lets her clients senses take over. Her hands explore the curves of their bodies, while her passion explores the pleasure of their core. Sweet Sinner brings fans the second installment of one of the most sensual and intense series of erotica, with “The Masseuse: Volume 2.” When people enter the massage parlor, all inhibitions are left at the door, and Sweet Sinner’s real lovemaking and real orgasms take hold.

“The Masseuse: Volume 2” was written and directed by Nica Noelle.

Mile High Media Vice President Jon Blitt states, “We were all pleasantly surprised by the success of the first volume of ‘The Masseuse.’ The erotic stories surrounding superstar Asa Akira captured the attention of consumers. For the second volume, we knew we had to find a lead with equal star power to carry the movie – Chanel Preston was an easy choice.”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its

entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. For more information, visit www.SweetSinner.com.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
