“This all new series concentrates on some of the very popular and hottest transsexuals in the business,” writes [XCritic.com](http://XCritic.com) contributor Apache Warrior. “I expect ‘American Tranny’ will become one of the best transsexual series in the industry. With the already proven talents of its directors on [Reality Junkies’] current line of titles, this tranny series will quickly become a go-to place for tranny talent and for lovers of tranny porn.”

In “American Tranny 2,” an average Joe prepares a romantic dinner for Jessica, who he is hoping to lay, but she’ll be taking his ass for dessert. A young dude is shocked when he finds out his mechanic is the smoking hot Nelly, but she’s going to shock him with her big tool. When a businessman orders up an escort to his hotel room, he’ll get more than he’s bargained for with Eva. Hot, sexy decorator TS Foxy takes a music producer on a tour of his improved house, but she’ll also give him a tour of her hard wood. A job applicant is having a hard time interviewing with flirty secretary Carmen teasing him, but soon he’ll find something even harder up her skirt.

Mile High Media Vice President Jon Blitt states, “We believe every niche can be reinvented with the addition of higher production values and a focus on great casting. Our goal with ‘American Tranny’ is to provide consumers of transsexual adult movies with a better product appealing to

their needs and desires.”

All Reality Junkies releases are packed with special features. “American Tranny 2” includes behind-the-scenes videos, a slideshow gallery, and cumshot gallery.

### **About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High’s studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led [AEBN.net](http://AEBN.net) to name Mile High the 2012 Studio of the Year.
