In “Lesbian Sorority: Volume 2,” Nora (Skin Diamond) is the new girl on campus, and she knows to be weary of those “sex-crazed, binge drinking” sororities. But when she meets Molly (Dani Daniels), she can’t help wonder what really goes on behind those Greek letters. Meanwhile, head sister Zelda (Melissa Jacobs) is pretty intent to seduce some new recruits of her own. With additional performances by Sinn Sage, Lily Labeau, and more, Sweetheart is proud to release Volume 2 of “Lesbian Sorority,” written and directed by James Avalon.

Mile High Media Vice President Jon Blitt says, “The two simple words ‘Lesbian Sorority’ have kick-started a phenomenon for Sweetheart Video. Re-orders for Volume 1 is still going strong, and pre-orders for the sequel are insane. College girl antics combined with an all-star cast make for one hot release.”

In a review of Volume 1, [XCritic.com](http://XCritic.com) contributor Apache Warrior wrote, “The sexual performances are the huge standouts in this production. The storyline is good, but it’s the high level of sexual energy the women provide that makes this flick a recommended treat.”

“Lesbian Sorority: Volume 2” includes a slide show gallery and a revealing behind-the-scenes video.

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.

### **About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
