There's something off about the new secretary at Mr. Eliot's import/export business. She's kind, eager to please, and extremely sexy, but can she be trusted? Meanwhile, Clarke, the number two man at the company, is plotting his own little business with his sexy secret girlfriend who happens to be the old secretary. Will the new secretary seduce Clarke to reveal his plans, or will the boss who has his own haunted sexual history seduce her? "The Secretary: Volume 3" is written and directed by James Avalon.

"Though still a new series, 'The Secretary' is one of our bestselling," states Mile High Media Vice President Jon Blitt. "I'm excited to see how fans react to the direction James takes the series. Volume 3 has even more seduction and superstars."

"The Secretary: Volume 3" is packed full of special features. The DVD includes a revealing BTS video and a slideshow gallery of gorgeous production stills to enhance the viewing experience.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
