"Immoral Proposal" by writer/director Nica Noelle asks how much pressure can the love of one young couple withstand? When fabulously rich tycoon Evan decides he wants to spend one night with the innocent April and money is no object, her boyfriend Pete must decide to wager his trust against financial ruin. Lust and jealousy battle it out in Sweet Sinner's erotic drama, fusing the realism of authentic passion and real sex with a gripping plot.

Mile High Media Vice President Jon Blitt states, "This is couples filmmaking at its best, April O'Neil has a standout performance, and we have high expectations for 'Immoral Proposal.' There is a huge demand for sexy, erotic movies, which Mile High Media studios are well equipped to cater to."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
