It isn't easy being young and misunderstood, as "Father Figure: Volume 3" proves. Some girls lack direction and need guidance, and only an older man can lead them to the right path. They are teachers, neighbors, a best friend's dads... they are father figures. Written and directed by James Avalon, "Father Figure: Volume 3" features forbidden relationships breaking down generation gaps. The young girls aren't the only ones getting schooled, as the older guys might just be able to re-learn something about life and love.

In addition to O'Reilly and Reid, "Father Figure: Volume 3" stars Lola Foxx, Presley Hart, Mark Davis, Steven St. Croix, and Marcus London.

"'Father Figure' showcases the quintessential fantasy for men – a young, innocent girl looking for guidance into becoming a woman," states Mile High Media Vice President Jon Blitt. "Though there is a very Lolitaesque quality to the series, our girls are all far more experienced than they let on. The series offers some unexpected twists that keep fans coming back for more."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its

entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. For more information, visit www.SweetSinner.com.
