In "The Swinger: Volume 2," John (Everhard) is a regular player in the local swinger scene. It's an important part of his life he tries to share with the women he meets. However, when he meets Jane (Akira), he's head-over-heels for her and becomes conflicted whether to introduce her to his swinging lifestyle or give it up for good. John's innocent younger brother Gary (Tyler Nixon) tries to steer him in the right direction, but ultimately becomes tangled up with Jane as well. Sweet Sinner brings fans back into the lustful world of swingers, where the passions of the body and the desires of the heart should never cross.

In addition to Asa Akira and Erik Everhard, "The Swinger: Volume 2" stars Holly Taylor, Lea Lexis, Dane Cross, and Tyler Nixon.

The first two volumes of "The Swingers" are written and directed by James Avalon. Volume 1 earned a Best Actor nomination for the 2013 XBIZ Awards for its leading man, James Deen.

James Avalon states, "With 'The Swinger,' we are intent on emphasizing the story as well as the sex. This gives our actors the opportunity to shine, making the audience care about their characters even more, which in turn makes the sex all the hotter."

"'The Swinger' guarantees the marriage of quality drama and passion," wrote XCritic.com reviewer Sean DPS. "We have some hot ladies, and we can add in some very hot sex, which is shot and filmed great...Highly Recommended."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
