[XCritic.com](http://XCritic.com) reviewer Apache Warrior calls writer/director James Avalon's series "highly recommended," with "addictive storylines." "'Exchange Student' is fast becoming a series that couples need to keep on their radar screens."

In "Exchange Student 5," a woman tries to draw attention away from her own extramarital affair by sponsoring a beautiful, young foreign exchange student to catch the eye of her husband. All seems to work well, until the sultry young lady has her own ideas of erotic manipulation, pitting dad against son for her sensual attention. The 5th volume of "Exchange Student" stars the extraordinary Anissa Kate in a role that she was born to play. The stellar cast also includes James Deen, Marcus London, Seth Gamble, and Jennifer Best, and the impressive new star, Jessa Rhodes.

"A leading lady is born," states Mile High Media Vice President Jon Blitt. "American audiences are beginning to know Anissa Kate through gonzo movies and small supporting roles, but James saw her star power and potential to carry an entire movie. She is absolutely stunning in 'Exchange Student 5,' and consumers are going to fall in love with her."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a

new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. For more information, visit [www.SweetSinner.com](http://www.SweetSinner.com).

#### **About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
