“Office Perverts: Volume 5” includes five kinky sex scenes to help a nine to five day go by quicker. Breanna has a crush on a co-worker and will do just about anything to get him to notice her. Carolyn has a secret admirer at the office, so she decides to take matters into her own hands with the shy guy. Career woman Chanel will step on anyone to get ahead, but when a co-worker saves her butt, she owes him some ass. Mistaken for the new secretary, Dylan Ryder finds out what her employee really thinks of her. She quickly reminds him who the boss is. Attempting to seduce her boss, Kristina lets herself into his office early that morning. The only problem is it’s not her boss who shows up.

Mile High Media Vice President Jon Blitt says, “‘Office Perverts’ was one of our first series from Reality Junkies, and consumer demand continues to make it one of our best selling as well. It caters to a top fantasy people have, which was the goal when creating Reality Junkies. Volume five includes some of the biggest names in adult entertainment to provide the series with even more consumer appeal.”

Director Bobby Manila adds, “Everyone dreams of shoving the files and reports off the desk and having their way with the hot co-worker in the office. Because an office affair is considered one of the most scandalous things a person can do on the job, it makes us want it even more. The ‘Office Perverts’ series delivers on these desires. I’m not sure what

Chanel, Kristina, Breanna, Dylan and Carolyn would do to office productivity, but employee satisfaction would reach record highs.”

Mile High Media formed Reality Junkies in 2009 to produce XXX reality content. The studio’s lines are directed by Bobby Manila and Kevin Moore. Each line provides easily accessible scenarios, which allow for consumers to better enjoy the wild action. In addition to “Office Perverts”, Reality Junkies’ hit series include “Mom’s Cuckold”, “Big Breast Nurses”, “Cougar’s Prey”, “Couples Seeking Teens”, “Babysitter Diaries” and more!
