Written and directed by Dana Vespoli, "Lesbians in Charge 2" begins when beautiful MILF Julia Ann teaches snotty Jay a lesson after Jay breaks up with Julia's son. Personal trainer Phoenix Marie whips lazy reality TV star Maddy into shape. Nicki exacts revenge on her ex-husband's new girlfriend Presley. Surly business owner Dana shows her business partner what happens when someone tries to buy her out of her own company. Anger and friction slowly turn to passionate lovemaking as each vignette begins and finishes with a bang!

"This is the series to own for any fans who like their girl/girl sex with an edge," states Mile High Media Vice President Jon Blitt. "The star power in volume 2 is insane, and the sex is wild and feisty – a perfect combination."

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
