Director James Avalon weaves a seductive tale in “The Stepmother 9.” Emma has a dark secret, but her fiancée, an older, distinguished gentleman, doesn’t know anything about her salacious past. When his son meets his soon-to-be-stepmother, he recognizes her at once: a sultry escort who goes by the online-name of Sabrina. While Emma tries to leave her tainted past behind, her stepson sucks her back into a relationship of deceit, betrayal and sexual intrigue.

“To produce an adult movie that is engaging for couples, you must employ performers who are as skilled at acting as they are sex,” states Mile High Media Vice President Jon Blitt. “Kimberly and Allie have amazing acting resumes, including Best Actress accolades from the top award shows in our industry. Consumers are going to be blown away by their performances in ‘The Stepmother 9,’ and we know critics are going to take note as well.”

Kimberly Kane received AVN’s 2010 Best Actress award, followed by XBIZ and XRCO’s 2011 Best Actress awards. XBIZ and [XCritic.com](http://www.XCritic.com) named Allie Haze Best Actress in 2013. She also received AVN Best Actress nominations in 2012 and 2013.

The high level of acting in 'The Stepmother' is what draws critics to the series. In his review of Volume 4, AdultDVDTalk.com contributor Astroknight wrote, "Even without a cast this impressive, I'd really be looking forward to this one. It's a very well done feature...The cast does a very nice job with the story...Definitely worth checking out!"

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
