In “The Escort: Volume 1,” Amanda wants out of her unhappy marriage to Martin. The only problem is she signed a prenuptial agreement and would be left with nothing. However, James, Amanda’s secret lover, finds a huge loop hole in the prenuptial stating in case of infidelity, Amanda will get half of everything. Amanda and James put their plan in action to try and catch Martin having sex with an escort.

In addition to the sexy ladies of “The Escort,” the movie also stars James Deen, Evan Stone, Mr. Pete, and Chad Alva.

“Encapsulating the very best erotic elements of our most popular series, it’s easy to see why ‘The Escort’ is destined to be a success,” states Mile High Media Vice President Jon Blitt. “Pre-orders and orders have been strong to date.”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
