Mile High Media Vice President Jon Blitt says, "In addition
to the
couples movies from Sweet Sinner filling a necessary market
niche,
they provide us with quality content ideal for consumers to
own.
Watching a grainy, illegally downloaded adult movie on a
laptop
doesn't exactly scream romantic evening. When viewed on a
large TV,
'The Doctor 2' is an arousing and intimate experience for
couples to
share."

"The Doctor 2" is written and directed by erotica master
Nica

Noelle. Manuel Ferrara and Denis Marti are two of the sexiest doctors in town, which is why hot little nymphette Allie Haze can't resist coming to the emergency room with imaginary symptoms. She tips off gorgeous patient Jessica Bangkok to her scheme, and together the two hot girls plot to satisfy their insatiable sexual appetites with the clueless but well-endowed doctors. The Hippocratic Oath is quickly ignored when Allie removes her gown.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple orientated erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
