Each volume of the sexy new series from couples-friendly studio Sweet Sinner will dive into the most taboo and illicit affairs, where the infidelity goes beyond the act of sex. "Forbidden Affairs: My Wife's Sister" includes adult entertainment superstars Remy LaCroix and India Summer, as well as Natalia Starr and Natasha Starr in a wild B/G/G threesome with Mr. Pete.

The sexually torrid movie focuses on Harry, played by Steven St. Croix, as he becomes weary of the arrival of his wife's younger sister. Brianna claims she grew tired of trying to be an actress in Los Angeles, but Harry is suspicious of her true intent. Regardless of Brianna's motives, the older man can't help the longing he feels every time the girl prances around the house in tiny shorts or without a bra. Harry must decide whether to give into his lust or drive off Brianna – a decision proving to be the most difficult of his life.

Directed by James Avalon, "Forbidden Affairs: My Wife's Sister" also stars Tyler Nixon and Mr. Pete. It includes three boy/girl sex scenes and one boy/girl/girl threesome sex scene.

Mile High Media Vice President Jon Blitt states, "We feel like 'Forbidden Affairs' is the perfect series to allow us to amp up the seduction and drama in a series appealing to couples. Its illicit storylines will heighten the sexual connection viewers feel, a sign of great erotica."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
