"It's been a blast continuing to shoot for Erotica X," said Mason. "I love capturing the sensual exchanges between the performers. The ballet set up with Jenna Ross was beautiful to shoot. She has amazing dexterity and grace and this really shone through in the way she danced. Teal Conrad was gorgeous rubbing oil into her body basking in the sunshine, and Ella Milano's sex scene with James Deen was one of the most intense scenes I have shot for Erotica X. I hope the fans really enjoy this movie!"

Movies from Erotica X are unlike anything else on the marketplace and a slight departure from what fans have come to expect from Mason. Erotica X features beautiful and intimate exchanges between performers; the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results.
