“What’s better than four scenes of women grinding their boxes against each other?” asks Dana Vespoli. “Four scenes of teen girls getting their trib on! We collected a sexy, young cast for Volume 5 that I know fans will adore!”

This popular series returns featuring lesbian teens in four hot vignettes full of intense tribbing. Katie confronts Chrissy after the snobby teen blackballs her from an exclusive school club. She works very hard to convince Chrissy to change her mind... one throbbing orgasm at a time. College Resident Assistant Lia must contend with uber conservative Chloe, after young Chloe discovers her R.A. is a lesbian. Chloe's true colors are revealed once the lights go out, and the panties get wet. Riley gets a surprise visit from furious Raven. Raven doesn't like to be played for a fool, and shows Riley a thing or two, driving her crazy with desire. Finally, Tia gets lectured by her soon-to-be stepsister, Jodi, who doesn't approve of how slovenly and slutty Tia is. Tia aims to change Jodi's mind through lots of tribbing!

In his review of the series’ third volume, [Captain Jack of AdultDVDTalk.com](http://CaptainJackofAdultDVDTalk.com) wrote, “The pairings in this DVD demonstrated great

passion and intensity. The chemistry in all four scenes was off the charts!”

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High’s studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
