There are four separate stories in "Father Figure: Volume 6." In "Sext'd," it's all about an "in your face sexy" text message wrongly sent to a dashing professor! "Personal Assistant" has a young inept assistant getting fired and then fired up by her handsome movie star boss. "Power Training" features a sensuous young thing training to win the coach. "My Boyfriend's Dad" says it all. It's four hot, sexy, gorgeous, innocent young babes and the older men they lust after.

Director James Avalon says, "'Father Figure' continues to be such a popular series, due in large part to the phenomenal ladies cast. They are able to portray young and innocent and then turn around and be aggressive sex kittens, seducing the older man. Sara and the other girls really played their roles perfectly."

"Father Figure: Volume 6" on DVD includes a slide show gallery and behind-the-scenes feature.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a
