From Hard X parent company, O.L. Entertainment President Claude Hyppolite says, “This movie is full of firsts. Besides being Aidra’s first anal scene, it’s also Hard X’s first foray into POV. Consumers love the hardcore nature of the studio, so we wanted to give them a little treat by bringing them directly into the action.”

“Anal POV Style,” like all Hard X and O.L. Entertainment productions, uses gorgeous locations and high-end production values to capture the beauty of the performers and the passion of the sex. In contrast to its sister studio, Erotica X, movies from Hard X include the wildest, kindest, and dirtiest sex available to fans, all featuring a trademark style developed by Mason, and now adapted by Mick Blue.

Hard X’s official membership website, www.HardX.com, will also feature

the film upon its release. Fans may now join the site to be among the first to see "Anal POV Style."
