Directed by Mason, “Anikka: Vol. 2” also stars AJ Applegate, Dani Daniels and Karlie Montana.

Anikka Albrite is excited for her second showcase with Mason saying, “Mason is always such a pleasure to work with! She knows how to make girls feel comfortable when they work for her. So many performers do ‘firsts’ for her because she knows how to bring out the best in the girls and celebrates their sexuality. I felt that the time was right to do my first IR anal and my first DP. It’s something I felt in my heart. Just like when I decided to do my first anal last year in ‘Anikka.’ I’m so pleased I got to do them with Mason and Hard X in this showcase.”

“Anikka: Vol. 2” is a must-have for fans of one of the most beautiful and curvaceous, big-butt superstars ever. Viewers will be able to experience Anikka’s first DP, as she’s double-stuffed by Mick Blue and Erik Everhard. The blonde bombshell’s first interracial anal scene is performed with Mandingo. “Anikka: Vol. 2” also includes a boy/girl/girl anal with AJ Applegate and Manuel Ferrara, and an all-girl threesome.

Mason was named AVN’s 2014 Best Director (Non-Feature) for her work on “Anikka.” The director says, “Being able to work alongside Anikka once again and experience her journey into a sexual powerhouse has been one of the highlights of my time in the adult industry. Anikka has really come into her own sexually, and it has been an honor to watch her grow into a true superstar. It has been a dream to work with her. She gave everything to this project, never holding back, and I am forever grateful.”

In addition to Best Star Showcase and Best Director, "Anikka" also received awards for Best Tease Performance for its lead, Anikka Albrite, Best Anal Sex Scene (Anikka and Mick Blue), and Best Three-Way Sex Scene – Boy/Boy/Girl (Anikka, James Deen, Ramon Nomar). The five AVN Awards made it one of the year's most critically acclaimed movies.

"Stock up, people," writes AVN reviewer Heather Namikoshi, in reference to retailers purchasing "Anikka." She found the movie "stunning and wowed this reviewer. Really great stuff."

"Anikka: Vol. 2," like all Hard X and O.L. Entertainment productions, uses gorgeous locations and high-end production values to capture the beauty of the performers and the passion of the sex. In contrast to its sister studio, Erotica X, movies from Hard X include the wildest, kinkiest, and dirtiest sex available to fans, all featuring a trademark style developed by Mason.

Hard X's official membership website, www.HardX.com, will also feature the film upon its release. Fans may now join the site to be among the first to see "Anikka Vol. 2."
