"I often don't set out to cast myself in the movies I direct," says Dana Vespoli. "But when I come across a performer like Sara Luvv, who is so sexy and alluring, I sometimes can't help myself. I get greedy and want her all to myself. Of course every single girl in this movie is amazing, and I could've easily gotten carried away and performed with all of them!"

In the 6th volume of this critically acclaimed series, four new vignettes feature the sexual escapades of older women with younger girls. Professor Dana Vespoli has trouble breaking off an affair with younger student Sara, while precocious Carter gets in trouble with landlord Dana DeArmond after throwing a loud party. In the third scene, worried mom Ava gets a visit from her daughter's best friend, Zoey, who wants help staging an intervention for Ava's troubled daughter. The final scene features naughty Janice giving French teacher Eva a heap of trouble during a tutoring session.

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
