In “Babysitter Diaries: Volume 4”, Jennifer is tired of her long distance relationship. Her employer down the street offers some hands on treatment. Nicole discovers she’s working for a major porn star and wants a little more than her usual pay. Brynn fears she might flunk her final paper, and she’s willing to do anything to distract her teacher from reading it. Victoria desperately needs to get out of babysitting; she’ll say and do just about anything to get the night off. After being treated poorly by her babysitting boss, Allie seduces the heinous woman’s husband.

Director Bobby Manila says, “We have some of the top young talent in the industry in Volume 4 of ‘Babysitter Diaries’. The sexy cast is hot enough to drive any man or woman crazy. Luckily, ‘Babysitter Diaries’ reveals the ultimate taboo... the untouchable girl, touched all over.”

“One worth watching,” writes XCritic.com reviewer Bill the Hobbyist in his review of the previous volume. “The performances were very, very strong...It’s a great DVD with exciting sex.”

Mile High Media formed Reality Junkies in 2009 to produce XXX reality content. The studio’s lines are directed by Bobby Manila and Kevin
