"The Swinger: Volume 6" begins as Chris (Deen) finds himself in the hot seat with his wife (Chechik). Chris is working late trying to make partner at his law firm, which cuts into his swinging lifestyle and pisses off his wife. However, she has an idea that can appease both of them! Swinging may actually be able to get him ahead if the right people are invited to the next party.

Director [James Avalon](#) says, "The swinger community can be shrouded in mystery to outsiders, so we really enjoy giving viewers a peak into the lifestyle with 'The Swinger.' Hopefully it helps open eyes in a positive way."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Icon Male (Gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
