"I wrote the script with Connor and Colton in mind, because they're so different yet each of them have that smoldering sex appeal of a young man in his sexual prime," says Nica Noelle. "Connor plays the more self-assured, extroverted brother, who plays sports and has a big group of friends, while Colton is an introverted, sulky loner. The chemistry between them is intense, especially in the final scene where Colton challenges Connor physically. Obviously, Connor takes him up on the challenge and the result is an incredible sex scene that I'm sure our fans will want to watch more than once."

The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
