The couple's counseling continues in Volume 2 of the passionate series "Cheaters Retreat". Chastity seeks out relationship guru Nick Manning for advice, but Nick prefers a more hands-on approach. Soon the hot teen is screaming with pleasure and forgetting all about her lesbian lover, Magdalene. What seems like the final nail in their relationship's coffin could be the start of a new beginning—one Wolf Hudson is happy to be a part of. Meanwhile, sexy interracial couple, Sean and Darla have no sooner returned home, when the stud decides to confess his weekend indiscretion. He expects Darla to leave him, but the busty redhead has some sexy surprises of her own. Finally, with the workshop over, Guru Nick needs more sexual healing. Find out which beautiful cheater has earned a permanent place in the tanned hunk's bed.

The critically acclaimed "Cheaters Retreat" earned Xcritic's highest marks with Apache Warrior saying, "*Cheaters Retreat* is one of the best movies that Nica Noelle has ever written and directed. It definitely is her best series. I **highly recommend** *Cheaters Retreat* to both couples and non-couples."

Mile High Media Vice President Jon Blitt says, "While the plan all along was for 'Cheaters Retreat' to be a series, it was the amazing re-orders on

the first title, which confirmed we were on the right path. 'Cheaters Retreat 2' returns with the passionate sex and temptations consumers went crazy for in the first volume. We expect great returns from this hot movie."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple orientated erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
