Not all sons love their mothers, especially when the mother is scheming and conniving as Jacqueline (wonderfully played by Mercedes Carrera). She preys on her sweet and adorable old "friend" (Ariella Ferrera), who has just lost her husband and is in desperate need of finances. Jacqueline will stop at nothing to get her greedy hands on their house, including bedding her friend's son. However, payback can be a bitch, and Ariella can play dirty too.

Directed by [James Avalon](#), "Mother Exchange 4" also stars Casey Calvert, Steven St. Croix, Logan Pierce, and Chad Alva.

"It's true what that song says: big girls don't cry... but they do get even in *Mother Exchange 4*," says Avalon. "Mercedes' role in this movie really shows her acting abilities, while Ariella perfectly plays the sweet friend who learns to fight back. Both ladies give amazing performances."

In his review of Volume 3, [XCritic.com](#) contributor Apache Warrior wrote, "This film is a pretty good one when it comes to the sexual performances...Solid replay value and excitability. The acting was good with a genuine Ariella Ferrera leading the way. I recommend this film and this series continues to be a worthwhile one."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
