"Tommy Defendi was one of the first actors I worked with in gay porn, and definitely my first artistic muse," says Nica Noelle. "It was an honor to be given the task of writing and directing his final feature before he retired from adult film. I wanted to do something special that he could feel proud of."

Nica Noelle discusses what went into casting Tommy's final film saying, "I had directed Tommy and Duncan Black in a scene together once before (The Horseman) but they didn't really have any lines together. It was great to be able to explore the dynamic between them a little more in this movie. They have tremendous chemistry and it really comes across in *My Sister's Lover*."

"Wolf Hudson had never worked with Tommy and it had always been one of his goals. So I made sure they would have a scene together in Tommy's final adult film. Brendan Patrick is in my opinion one of the best actors in adult film. I use Brendan in as many of my features as I can, because he's so tremendously gifted and such a pleasure to have on set. I was so grateful that Arden Leigh agreed to take the role of Tommy's beautiful but challenging sister, she made the film complete."
