

TRANSENSUAL DOMINATES WITH NEW SERIES 'TS GIRLS ON TOP'

New Trans-Erotica Studio Highlights TS Stars Jessy Dubai, Madison Montag, Aubrey Kate and Sunday Valentina Taking Sexual Control.

MONTREAL, Quebec (Aug. 19, 2015) – Trans-erotica studio TransSensual presents a dominating new series, "TS Girls On Top," now available on DVD. Director Nica Noelle unleashed the adult industry's most beautiful TS women, Jessy Dubai, Madison Montag, Sunday Valentina and Aubrey Kate, as they top men powerless to resist their womanly charms.

"TS Girls On Top" also features Lance Hart, Alexander Gustavo and Robert Axel overcome by the stunning TS sirens.

Nica Noelle comments on the new series saying, "Fans of TS porn sometimes want to see the woman in control; they love to watch a flawlessly beautiful, ultra-feminine girl take down a cis-male and make him submit to her cock. In *TS Girls On Top* we have some of the hottest female tops in adult film showing their male costars who is boss. I think it's going to be a huge hit with the fans."

TransSensual takes you into the bedrooms of some of the hottest TS beauties in adult film, as they dominate men who are defenseless against their allure. Four explosive vignettes featuring themes of seduction, jealousy, and explosive group sex will leave you longing to experience the thrill of a beautiful TS woman taking charge.

Inspired by Mile High Media and award-winning director Nica Noelle's success with newly launched gay romance studio Icon Male, and award-winning studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle's distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
