In "Brothers & Sisters," sparks fly when stepbrother and stepsister are forced to live under the same roof. They really, really don't like each other and let everyone know it. The movie stars Remy LaCroix in a wonderfully emotional yet sultry performance, with Seth Gamble as her nice yet not-so-nice stepbrother.

According to statistics from adult e-tail site GameLink.com – [reported on by Vice.com in February 2015](#) – there was a 178% increase in the consumption of faux-cest porn between October 2014 and January 2015. Faux-cest is the fastest growing niche in adult entertainment.

Mile High Media Vice President Jon Blitt says, "We have been fielding thousands of requests via social media and message boards for more faux-cest themed movies. I believe there's a definite attraction to taboo sexual practices, and this is about as taboo as you can get."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Icon Male (Gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
