

ICON MALE PRESENTS THEIR ONLY BAREBACK SERIES: 'REAL COUPLES BAREBACK'

Billy & Seth Santoro Are Revealed In Their Most Intimate Bareback Scene.

MONTREAL, Quebec (Sept. 30, 2015) –Gay romance studio Icon Male presents their only bareback series, "Real Couples Bareback," now available on DVD. Written and directed by Nica Noelle, "Real Couples Bareback" takes the viewer into the bedroom of 4 real couples; capturing unbridled, passionate bareback sex. Starring stunning couple Billy & Seth Santoro in their most intimate scene. Plus, real couples: Trent Ferris, Sam Truitt, Adam Russo, Cutler X, Ian Levine and Myles Landon.

"I think the interview sequence with Billy and Seth Santoro is going to make anyone with a heart tear up. It's so touching and beautiful that you almost forget there's an explosive sex scene coming up right afterwards," says Nica Noelle. "We were honored to be able to capture the many facets of their relationship and what makes them such a strong, passionate couple."

Noelle continues, "Our 'real couples' are very diverse - we have young couples, older/younger, mature... the relationships we chose to spotlight reflect what fans have come to expect from Icon Male casting. But the fact that these couples go home together at the end of the day just makes it a little more special."

Commenting on the choice for a bareback series Nica adds, "We choose to remain a condom studio because we feel it's safer for a multitude of reasons, yet I wanted to do one series where I could remove all limitations without compromising talent safety. Shooting real life couples having sex the way they do at home was an obvious solution to this conundrum. Not only did the couples feel physically safe on every level, but it also allowed them to express levels of intimacy they may not be able to reach with any other scene partner. I'm so grateful to the couples that trusted us enough to share their private lives with us and with the Icon Male audience. I hope they're every bit as delighted with the finished product as we are."

Come inside the bedrooms of four of gay porn's hottest real life couples and take part in the intimacy, passion and vulnerability they save only for each other. In Icon Male's only bareback series, you'll witness true lovemaking with no boundaries between couples that share a mutual trust and devotion for each other.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
