The popular series from award-winning studio Erotica X captures the most sensuous and romantic encounters ever filmed for adult entertainment. Each of the pairings are carefully selected in order to showcase unbelievable chemistry between performers with a genuine connection, and all the scenes are captured in beautiful HD by Mason.

The series continually receives high praise and rave reviews. "Check this one out with your lady friend, and you will like it!" declared Captain Jack in his review of the previous volume of "Pure Desire" for AdultDVDTalk.com.

Allie Haze returns to Erotica X in the 5th volume of "Pure Desire," and it's Danny Mountain's good fortune in getting the chance to appreciate Allie's lush body. To view a trailer for the scene, click [here](#).

Mia Malkova and Mick Blue have an elegant affair together in their scene. They both kiss passionately before getting undressed and making endless love while they look each other in the eyes. To view a trailer for the scene, click [here](#).

Perfectly innocent and gentle Sara Luvv is overwhelmed by the soft euphoric touch of Logan Pierce in their scene together. He slowly satisfies her every desire of both her mind body. To view a trailer for the scene, click [here](#).

Whitney Westgate returns to Erotica X, finding herself in the arms of Mick Blue. This scene takes on shades of a sensuous love affair, as Mick devours her beautiful form. To view a trailer for the scene, click [here](#).

In addition to releasing "Pure Desire: Vol. 5" on DVD, all four scenes will be made available to members on Erotica X's new site, EroticaX.com. All content on EroticaX.com is 100% exclusive and filmed in HD. Each week, the site will receive three updates – two HD photo sets and one HD video.

Scenes from EroticaX.com are unlike anything else on the marketplace and a slight departure from what fans have come to expect from Mason. Erotica X features beautiful and intimate exchanges between performers; the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results. Previews are constantly provided via the studio's blog, <http://blog.ericax.com>.
