“Many straight men fantasize about having a sexual encounter with another man, and along the same lines, some gay men fantasize about the straight guy who realizes he has feelings for other men,” says Nica Noelle. “*Straight Boy Seductions* seeks to explore the underlying sexual tension in male friendships and take those relationships a step further than they might go in real life.”

Noelle goes on to say, “We all live with repressed or unfulfilled desires, and the beauty of porn is that it gives us a way to explore certain themes safely and appropriately. Our cast did an outstanding job in presenting this delicate and controversial theme, and the result is a movie that I’m sure will please fans on more than one level.”

In this emotional and passionate volume of Straight Boy Seductions, muscle hunk Nick Capra secretly meets up with longtime friend Tony Salerno to explore their sexual attraction. Meanwhile, sensitive Brendan Patrick is slyly seduced by the tough yet gorgeous Jaxton Wheeler. Nick Capra returns to seduce sexy handyman Andrew Fitch, and Brendan returns for a session with cunning psychotherapist Rodney Steele.
