“Mother-Daughter Affair: Volume 2” dives into the story of Chloe Kinross (Luvv). Many young women have issues with their mothers, but Chloe has gone into mom-hating over-drive. Chloe blames her mom (Summer) exclusively for dad’s exit from the family. Despite her kindly father’s advice that they simply drift apart and let sleeping dogs lie, Chloe won’t have any of it. Tied to her mother through their chosen professions in the therapeutic industry, Chloe wants to stir things up, despite the results.

“I am absolutely blown away by Sara Luvv’s performance,” admits [James Avalon](#), an AVN and XBIZ nominee for Director of the Year for 2016. “I’ve always known she was a good actress, but her work in this movie is going to have a lot of people seeing her in a whole new light. She is a tour-de-force as Chloe.”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
