Fresh out of rehab, young actress Kristie McAdams, the daughter of an action movie star, finds herself in unfamiliar surroundings in “Lesbian Stepmother.” Kristie’s dad is out of the country filming a movie, and she is in a new house in Los Angeles with a new mom she’s never met and about to start a nation-wide press junket.

Longing for a meaningful connection in a town built on artifice, Kristie is met with cold indifference by her stepmom, who is a beautiful, powerful movie producer. Kristie’s world is quickly turned upside down, as she finds herself in the arms of her jealous co-star, Lacey Gold, then a disillusioned makeup artist, and finally her stepmother.

“We’ve always had a lot of success with our step relation titles from Sweet Sinner, so we thought the creation of ‘Lesbian Stepmother’ for Sweetheart Video was a no-brainer,” states Mile High Media Vice President Jon Blitt. “Dana’s created a fun, sexy series that is a great addition to the Mile High library.”

Sweetheart Video’s goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Icon Male (Gay romance line). With over 2000 titles, Mile High’s studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
