“This was such a fun movie to make,” says Nica Noelle. “I love writing dastardly roles for talented actors like Jaxton Wheeler and Billy Santoro. In this series, Billy plays a guy who is cheating on his boyfriend with younger men, and he gains their sympathy by telling them that his boyfriend is a psycho he's trying to get away from. Billy really nailed his role, and Jaxton's scene with Armond Rizzo is absolutely incredible. This was one of those cases where the whole cast was talented and on point, and all four sex scenes are home runs. I hope the fans will enjoy this new series as much as we enjoyed making it.”

In this bold new series from Icon Male, we peek in on four couples that are cheating on their sexy partners in the quest for even more hot sex! Billy Santoro plays the scared, abused spouse to win sympathy sex from young and well hung Armond Rizzo and Kory Houston. But when Billy's boyfriend Jaxton Wheeler finds out, he pays Armond a visit and shows the Latin lover the meaning of fear. We also peek in on a scandalous relationship between fatherly Max Sargent and his girlfriend's son, Josh Stone. Who will the gorgeous older man choose - his fiancée or his future stepson?
