Joining Marley Brinx in the James Avalon-directed movie are adult stars Tommy Pistol, Cadence Lux, Adrian Maya, Marcus London, and Logan Pierce.

"We've assembled a great cast," says [James Avalon](#). "They helped each other push their boundaries in order to discover new forms of pleasure. Marley has a breakthrough performance though, as she really jumps into the world of kink."

The story opens with a mother worrying as her gorgeous but unbalanced daughter, Marley, begins working for an eccentric writer. The script Tommy is working on appears to be all about kink, but he could easily be using it as a cover for his own desire to explore bondage and discipline. Either way, it ends with Marley getting whipped into shape.

"A well done glimpse into the world of BDSM and the pleasures that can be derived from it," [writes All Adult Network Editor Art Koch](#) in his review of "Shades of Kink: Vol. 4."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
